MESSAGE FROM PRESIDENT OF THE MALAYSIAN SOCIETY OF ALLERGY AND IMMUNOLOGY (MSAI)

Dear Sponsors

On behalf of the Malaysian Society of Allergy & Immunology (MSAI), we have great pleasure in extending our invitation to you to participate at the 25th MSAI Congress and Exhibition on Allergy & Immunology which would be held on April 24th to 26th, 2026 at the Intercontinental Hotel Kuala Lumpur.

In conjunction with our congress and in collaboration with the World Allergy Organisation (WAO), the World Allergy Training School (WATS) will be held on 26th April 2026.

Theme for 2026 is *Global Insights, Local Impact: Shaping the Future of Allergy and Immunology*

The WATS training school will be delivered by the international faculty of WAO. We are indeed grateful to the dedication and devotion of the faculty of WAO who would assist MSAI, a distinguished member of WAO, in not only with this outreach in promoting education in allergy and the development of speciality of allergy, but have agreed to be part of the faculty at our annual congress too.

The 3 day programme will feature lectures on Immunology, workshops on skin testing, skin allergies, food allergies, anaphylaxis, etc including new treatments for allergic diseases and new indications for available therapies.

The 3 full day programme would not only provide a good platform as a learning experience, but will also be an opportunity to exchange ideas and expertise, whilst creating a mutual networking atmosphere for the betterment of our patients.

Please refer to the sponsorship prospectus for different levels of sponsorship. You will note that certain category of sponsorship levels allows for the sponsors to engage a speaker and also bring in delegates under your banner.
